Skeletal Remains Discovered in Crystal River

(Crystal River) Citrus County dispatchers received a call at 3:41 p.m. on Monday from someone claiming to have found human skeletal remains off of W. Fort Island Trail, near the intersection of N. Seabreeze Point.

Sheriff's Office crime scene technicians responded to the site to begin processing the area for any evidence or clues. Detectives also were dispatched.

The victim's identity, plus cause and manner of death, are unknown at this time, pending autopsy results and further investigation.
