UPDATE ON SKELETAL REMAINS
FOUND IN CRYSTAL RIVER

(Crystal River) On Monday, Aug. 17, human skeletal remains were discovered off of W. Fort Island Trail, near the intersection of N. Seabreeze Point.

Preliminary results from the medical examiner's office confirm that the decedent is a male of unknown age. The subject had had extensive dental work done and may have undergone heart surgery.

The logo on the man's extra-large, Fruit of the Loom T-shirt is shown in the photo attached. Also recovered at the site were a baseball cap with the words "Worldwide Sportsman" and a fish embroidered on it, size 12 Rockport-brand shoes and a Timex watch with a woven cloth band.

The skeletal remains have since been transported to a forensic anthropologist for further evaluation. The cause and manner of the man's death are still unknown.

Anyone who may have information about the identity of the deceased is asked to call 911 or 352-726-1121.
